## FEATURING

- TRU Ready-to-Assemble Islands
- Blaze Grills & Accessories
- WPPO Outdoor Pizza Ovens

Lines between indoor and outdoor spaces in the home are increasingly blurred. We believe the outdoor living space should reflect the same luxury and functionality you find in a modern kitchen. TRU Ready-to-Assemble Outdoor Islands, Blaze Outdoor Grills and WPPO Outdoor Pizza Ovens meet these objectives with industry leading technology and design. Our award-winning Outdoor Kitchen Islands will bring that luxury and functionality to your outdoor kitchen!

TRU Outdoor Kitchen Islands are the centerpiece of the outdoor living space. Rich textures and magnificent countertops provide a luxurious setting for a suite of outdoor cooking appliances from Blaze and WPPO. Any number of configurations are available, enabling homeowners to design outdoor kitchens that meet their needs. And best of all, a complete Island Kitchen can be purchased and assembled in a matter of hours, and for a much lower cost than one might expect!

## Ready-to-Assemble Kitchen Islands

- High-strength durable concrete base
- Self-supporting structure, no need for additional framing
- Sectioned premium granite counters for ease of installation process (3 options available)
